

MAD SCIENTIST ACADEMY

THE DINOSAUR DISASTER SCAVENGER HUNT

In the book *Mad Scientist Academy: The Dinosaur Disaster*, Dr. Cosmic sends the students to search the dinosaur exhibit for clues to a puzzle.

Now it's your turn! Search the book to see if you can find...

- ...the Pterosaur 10 times in the book?
- ...some balloons?
- ...the Pachycephalosaurus 4 times in the book?
- ...some dinosaur poop?
- ...Oscar the Ostrich 4 times in the book?
- ...the Spinosaurus 2 times in the book?
- ...the Parasaurolophus 4 times in the book?

Look at Dr. Tibia's notes in the back of the book to find one version of each dinosaur, and to see what all of the dinosaurs look like. Your Mad Scientist Academy Handbook will help you know what each dinosaur looks like, too. Be sure to check the front and back of the book and the cover flaps when hunting!
