

1. Cut on the dotted lines.

2. Turn the body section and glue it here, like this:

3. Glue the head on top of the body here, like this:

4. Glue the legs below the body here, like this:

1. Cut on the dotted lines.

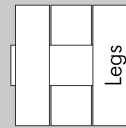

2. Turn the body section and glue it here, like this:

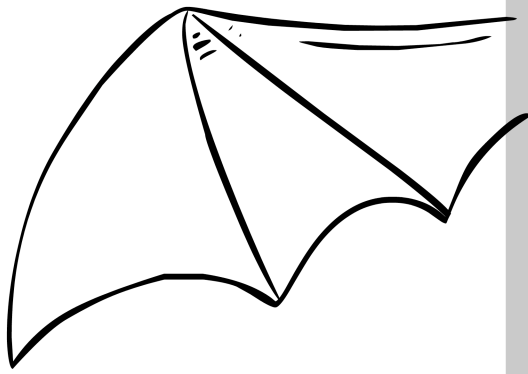

3. Glue the head on top of the body here, like this:

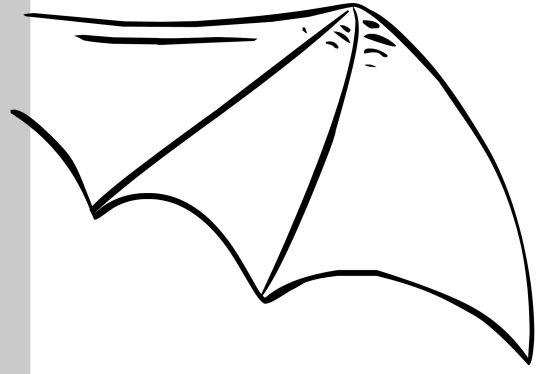

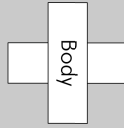

4. Glue the legs below the body here, like this:

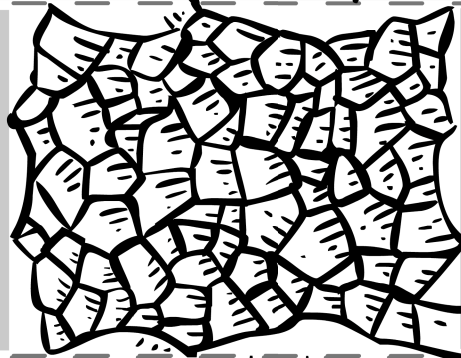

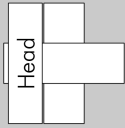

1. Cut on the dotted lines.

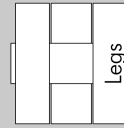

2. Turn the body section and glue it here, like this:

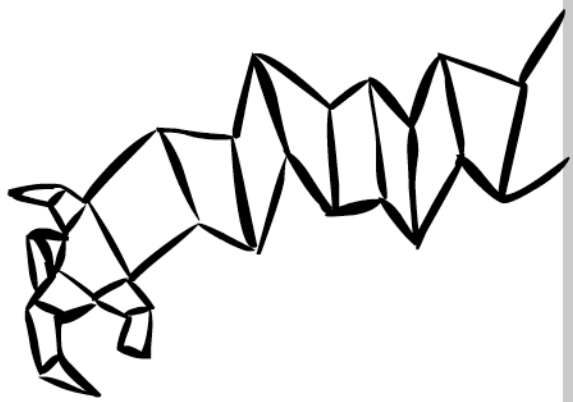

3. Glue the head on top of the body here, like this:

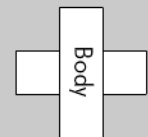

4. Glue the legs below the body here, like this:

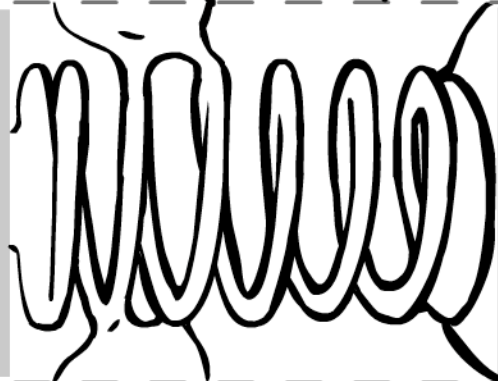

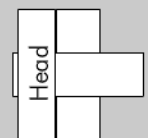

1. Cut on the dotted lines.

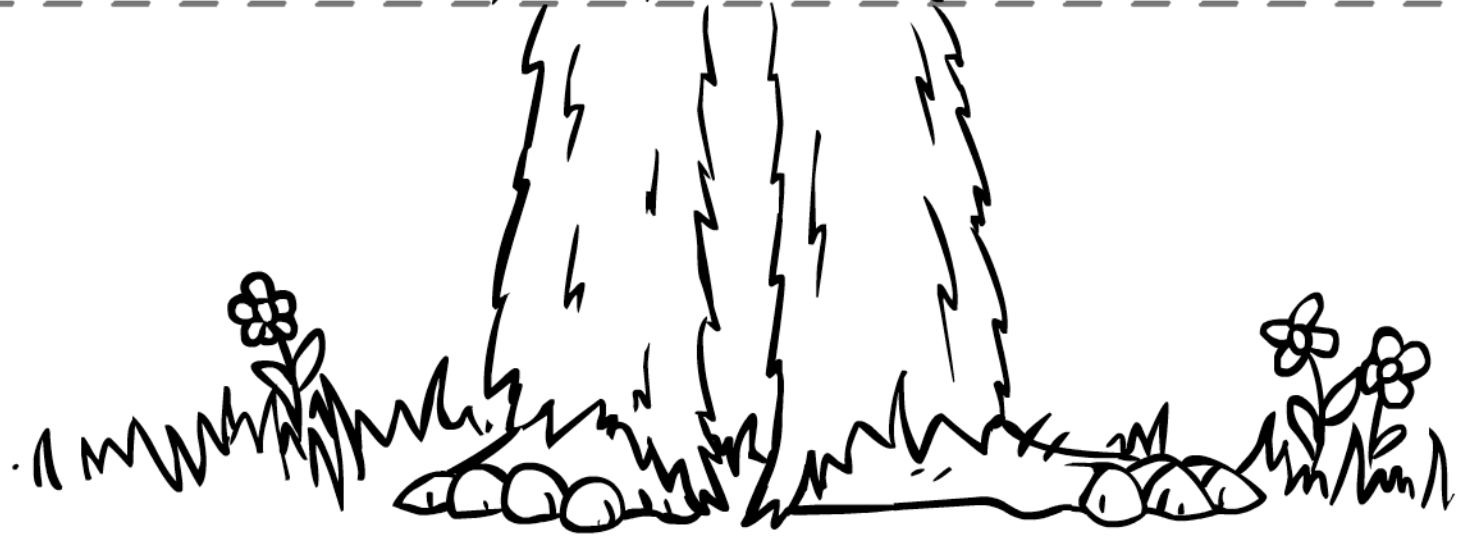

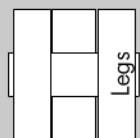

2. Turn the body section and glue it here, like this:

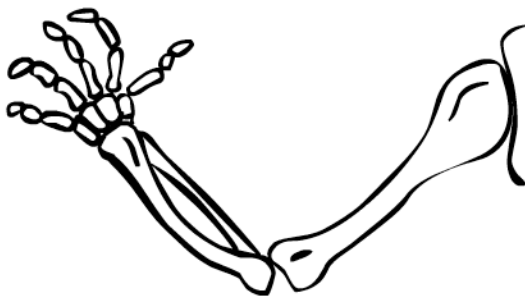

3. Glue the head on top of the body here, like this:

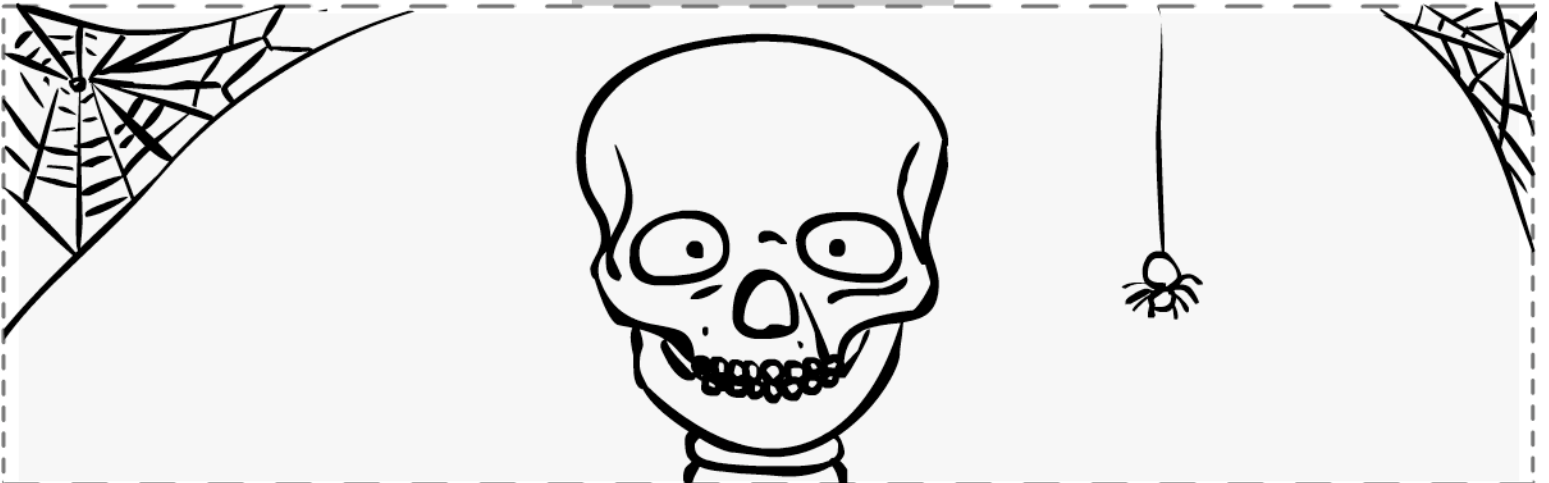

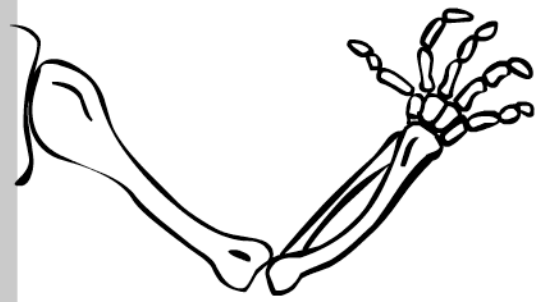

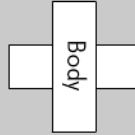

4. Glue the legs below the body here, like this:

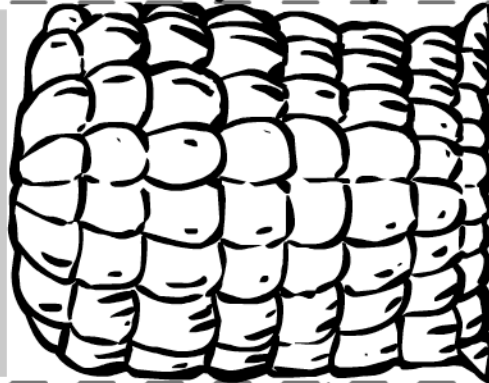

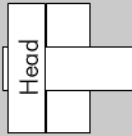

1. Cut on the dotted lines.

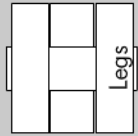

2. Turn the body section and glue it here, like this:

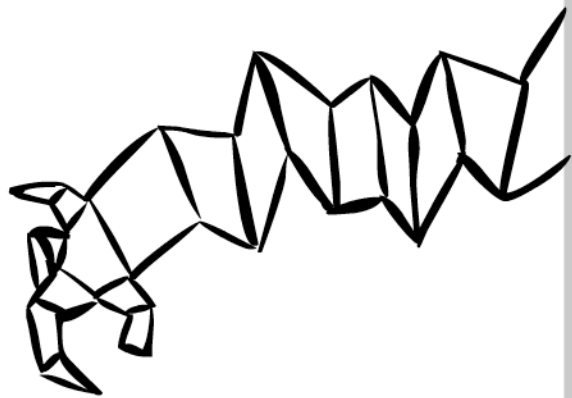

3. Glue the head on top of the body here, like this:

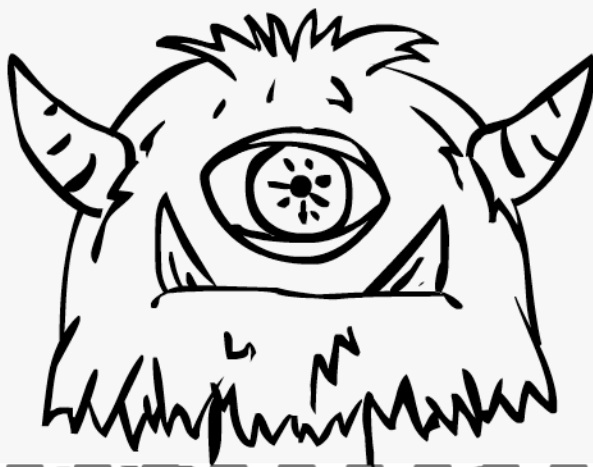

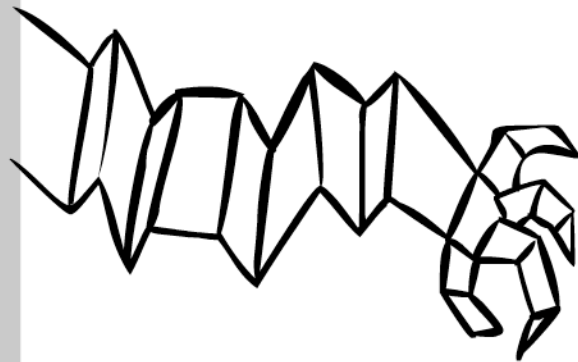

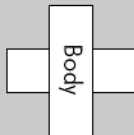

4. Glue the legs below the body here, like this:

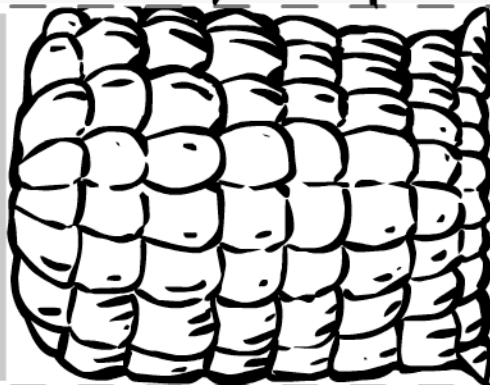

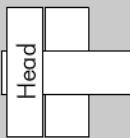

1. Cut on the dotted lines.

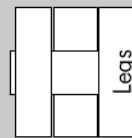

2. Turn the body section and glue it here, like this:

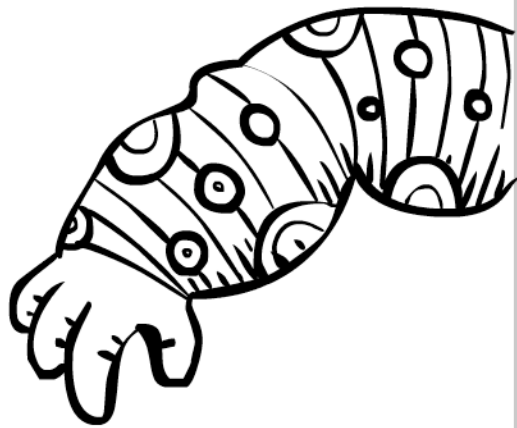

3. Glue the head on top of the body here, like this:

4. Glue the legs below the body here, like this:

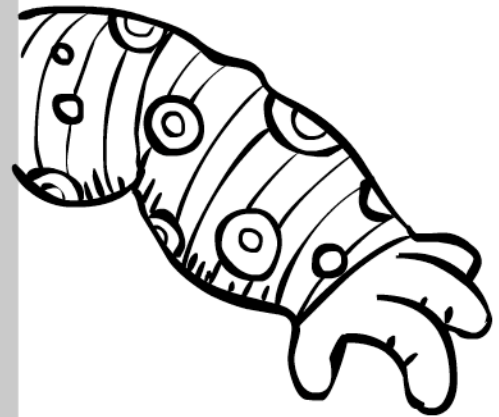

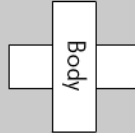

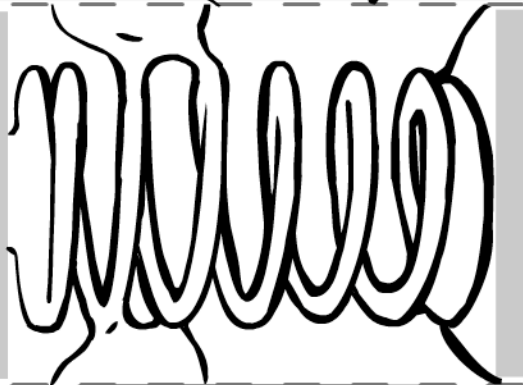

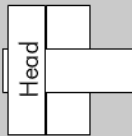

1. Cut on the dotted lines.

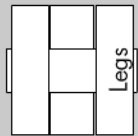

2. Turn the body section and glue it here, like this:

3. Glue the head on top of the body here, like this:

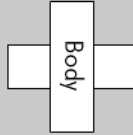

4. Glue the legs below the body here, like this:

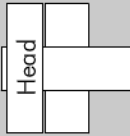

1. Cut on the dotted lines.

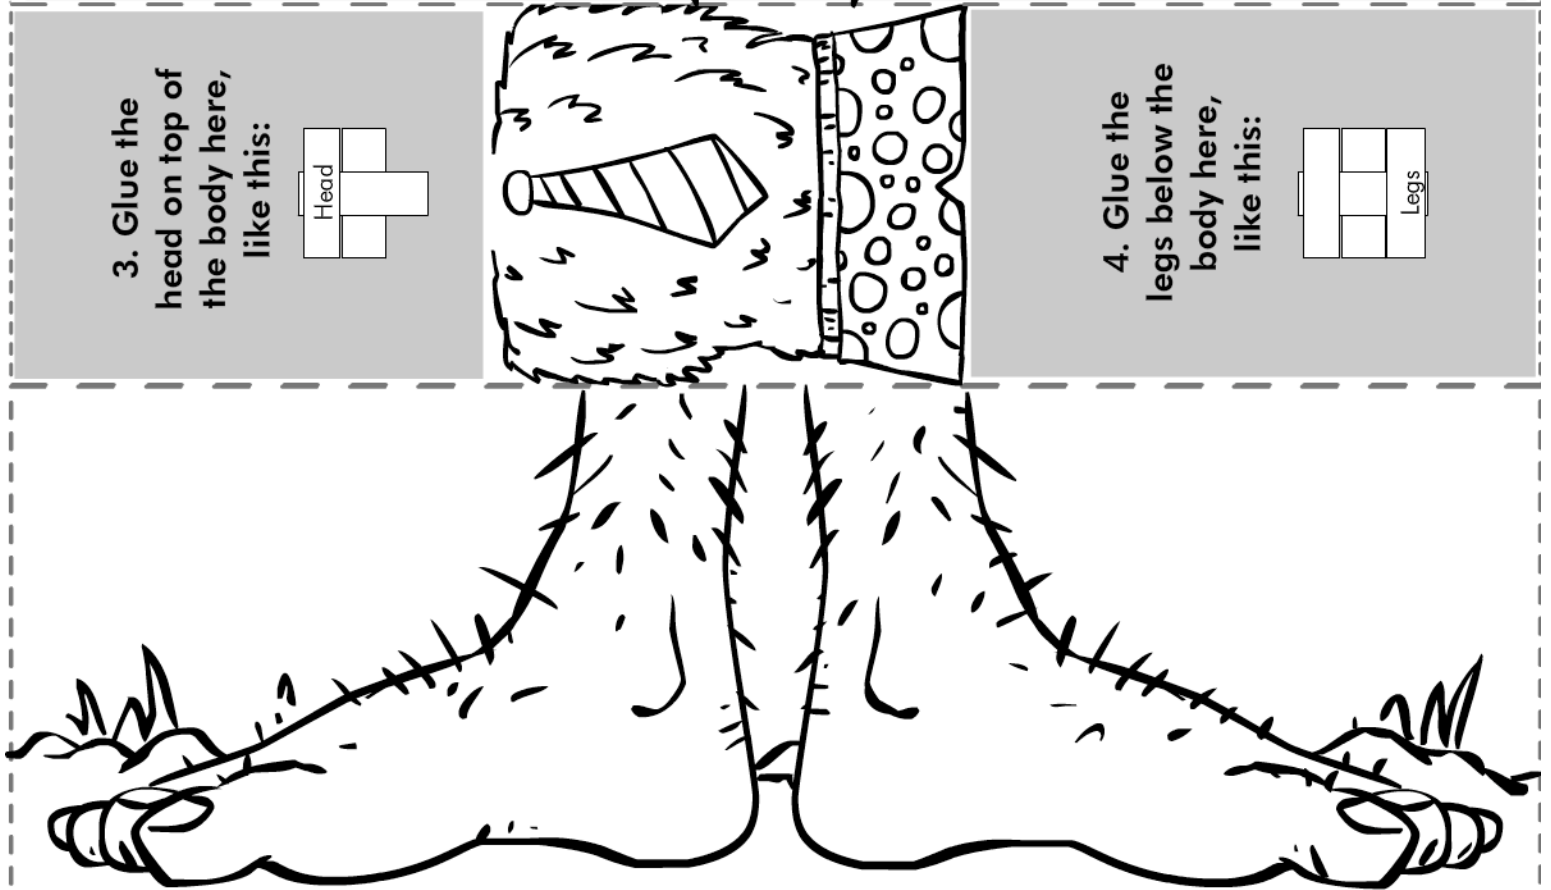

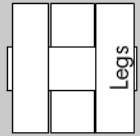

2. Turn the body section and glue it here, like this:

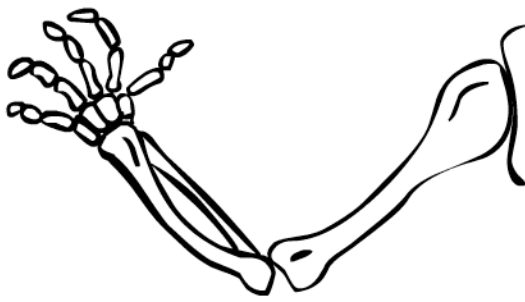

3. Glue the head on top of the body here, like this:

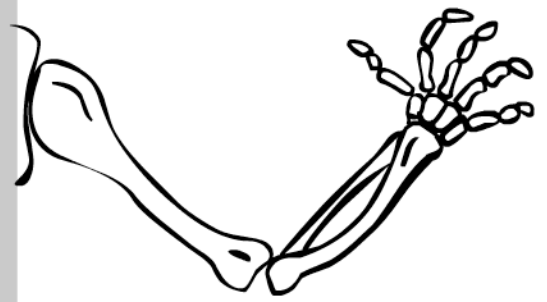

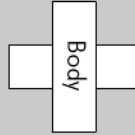

4. Glue the legs below the body here, like this:

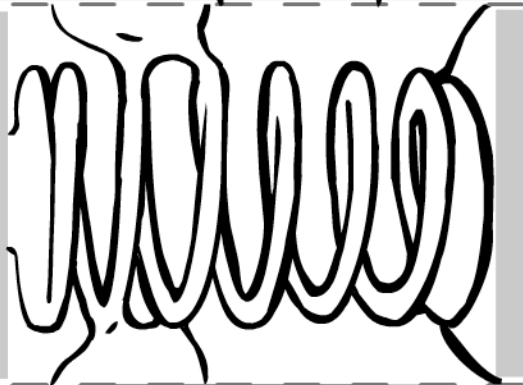

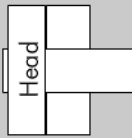

1. Cut on the dotted lines.

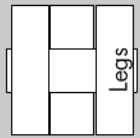

2. Turn the body section and glue it here, like this:

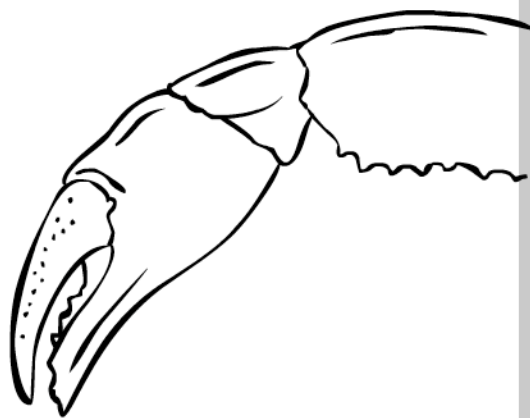

3. Glue the head on top of the body here, like this:

4. Glue the legs below the body here, like this:

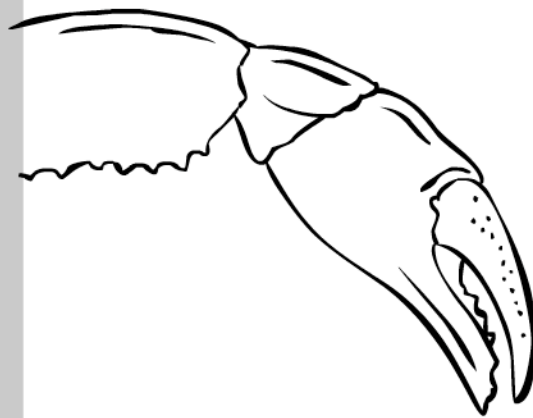

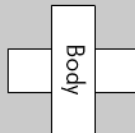

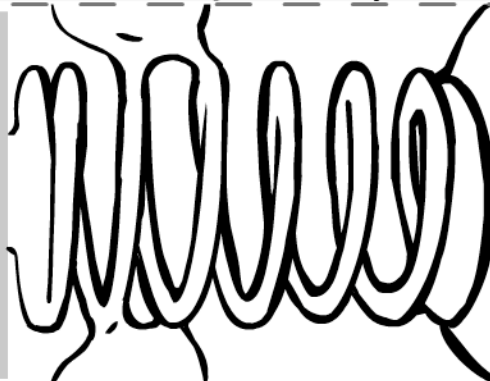

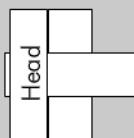

1. Cut on the dotted lines.

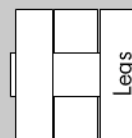

2. Turn the body section and glue it here, like this:

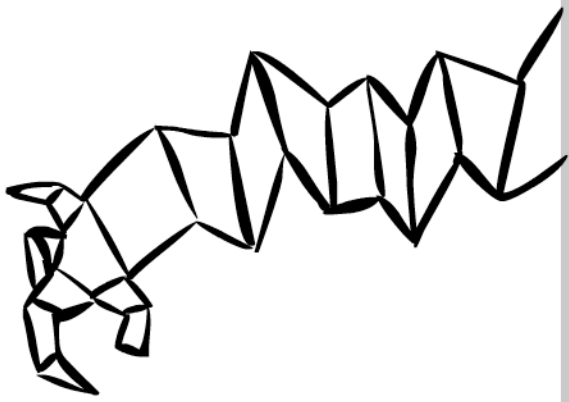

3. Glue the head on top of the body here, like this:

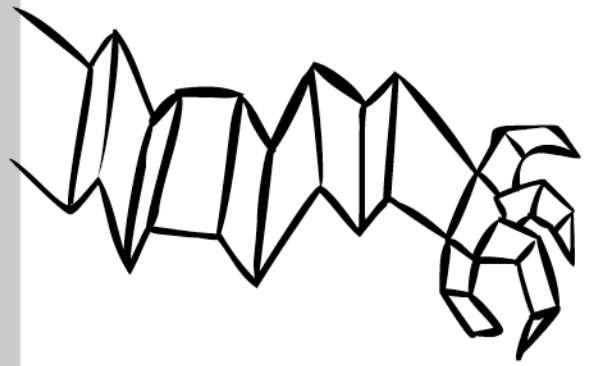

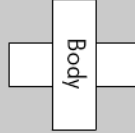

4. Glue the legs below the body here, like this:

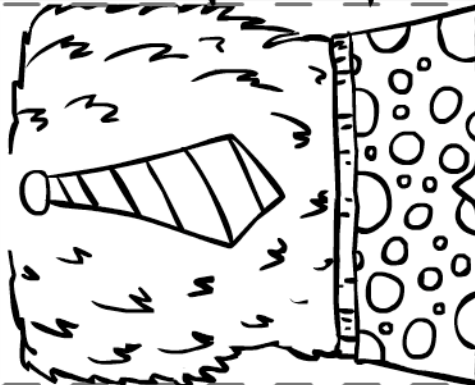

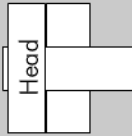

1. Cut on the dotted lines.

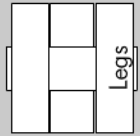

2. Turn the body section and glue it here, like this:

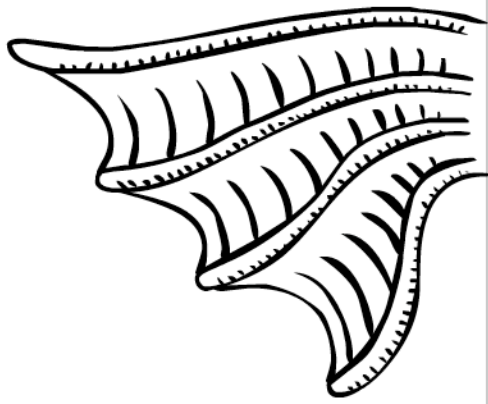

3. Glue the head on top of the body here, like this:

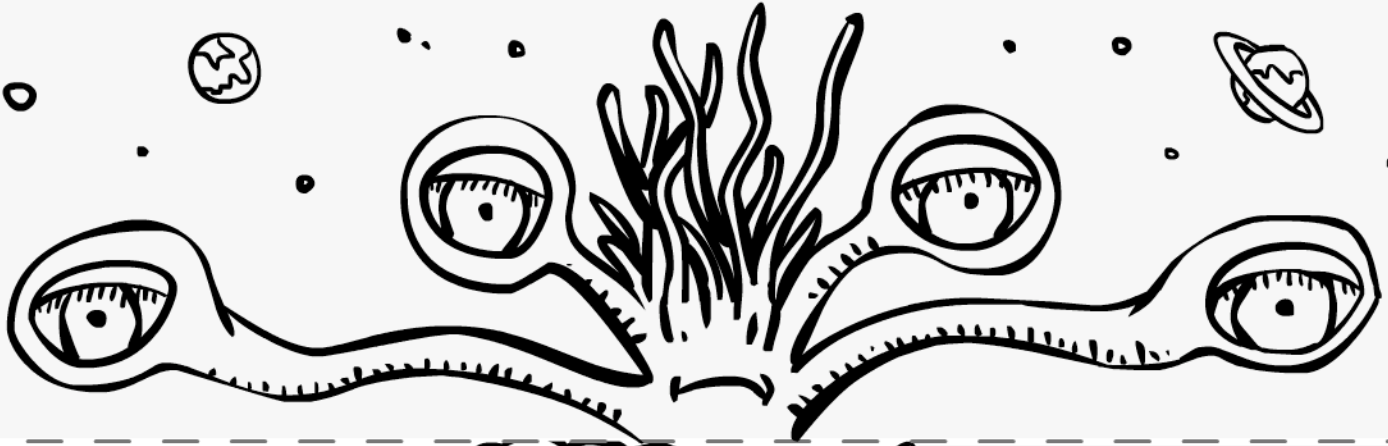

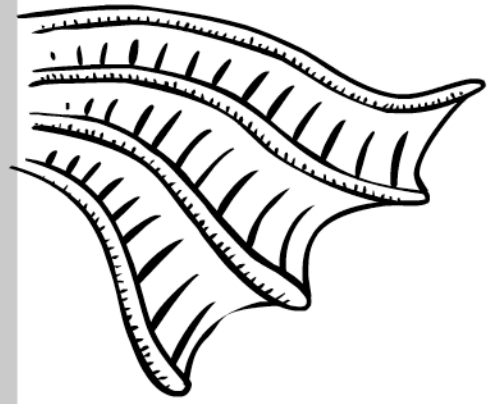

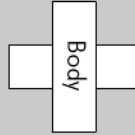

4. Glue the legs below the body here, like this:

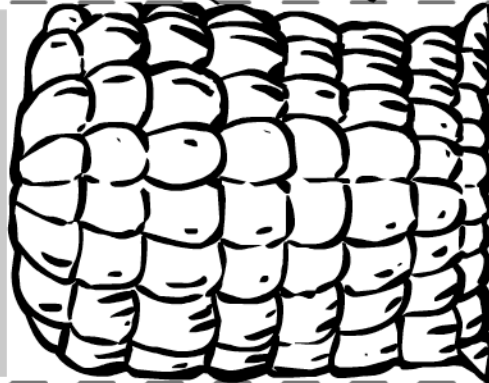

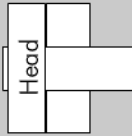

1. Cut on the dotted lines.

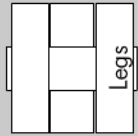

2. Turn the body section and glue it here, like this:

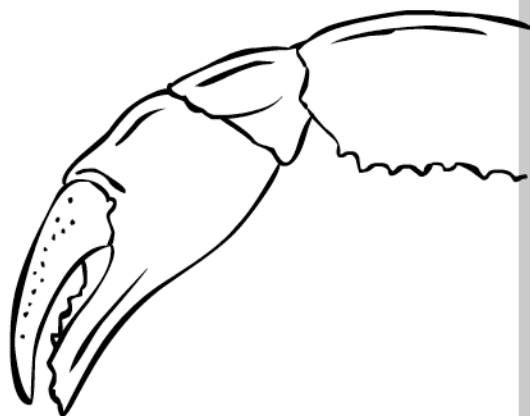

3. Glue the head on top of the body here, like this:

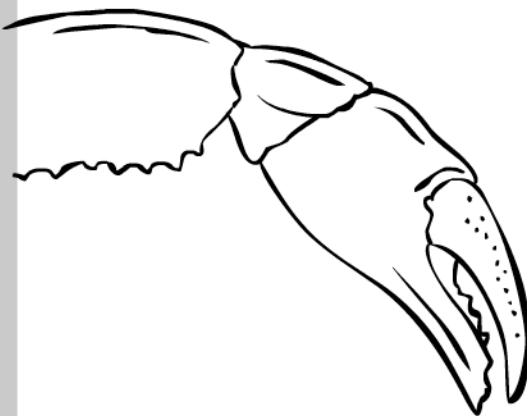

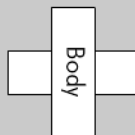

4. Glue the legs below the body here, like this:

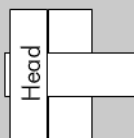

1. Cut on the dotted lines.

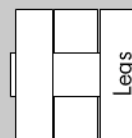

2. Turn the body section and glue it here, like this:

3. Glue the head on top of the body here, like this:

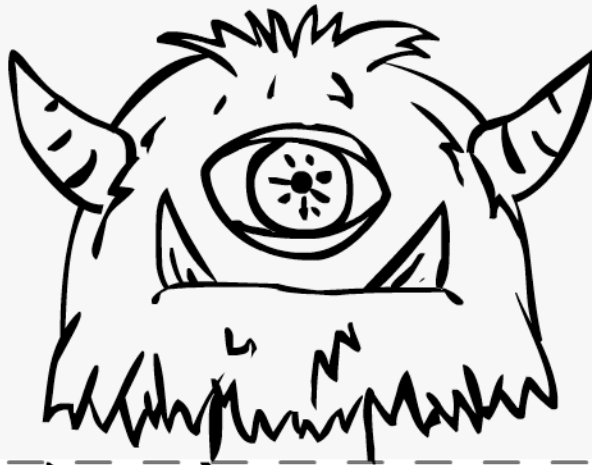

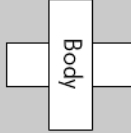

4. Glue the legs below the body here, like this:

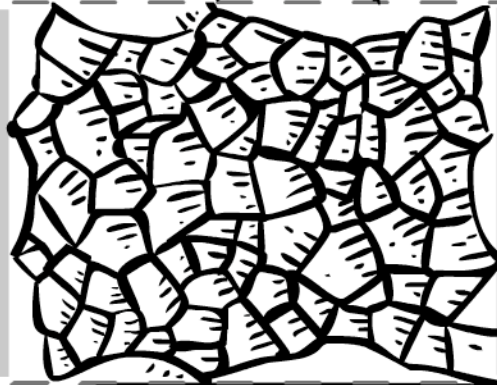

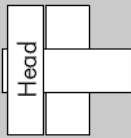

1. Cut on the dotted lines.

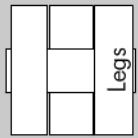

2. Turn the body section and glue it here, like this:

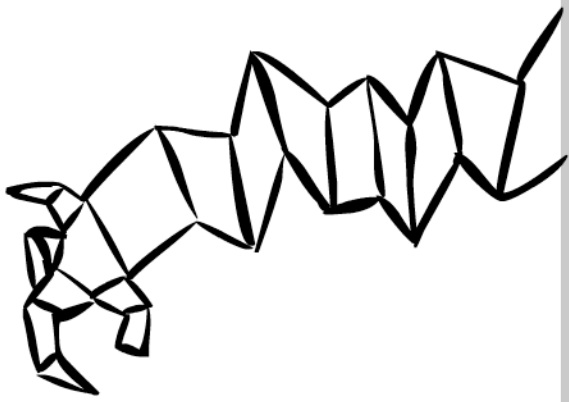

3. Glue the head on top of the body here, like this:

4. Glue the legs below the body here, like this:

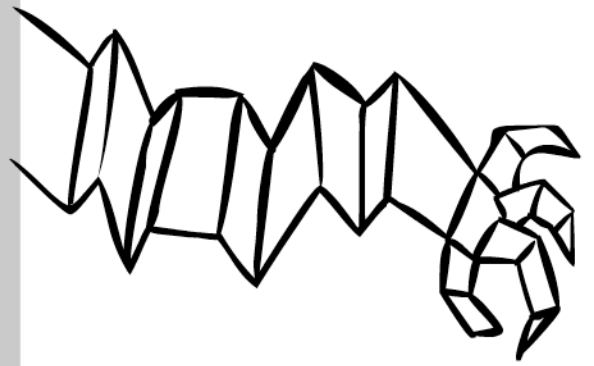

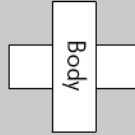

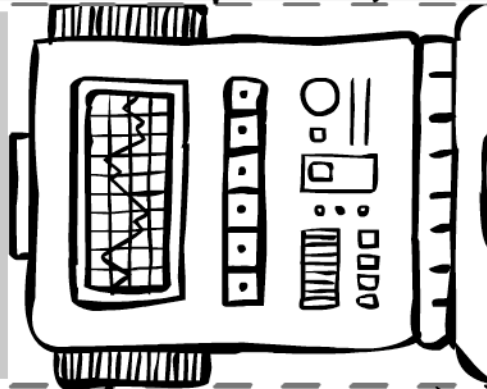

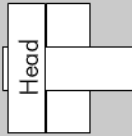

1. Cut on the dotted lines.

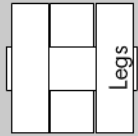

2. Turn the body section and glue it here, like this:

3. Glue the head on top of the body here, like this:

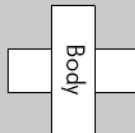

4. Glue the legs below the body here, like this:

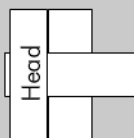

1. Cut on the dotted lines.

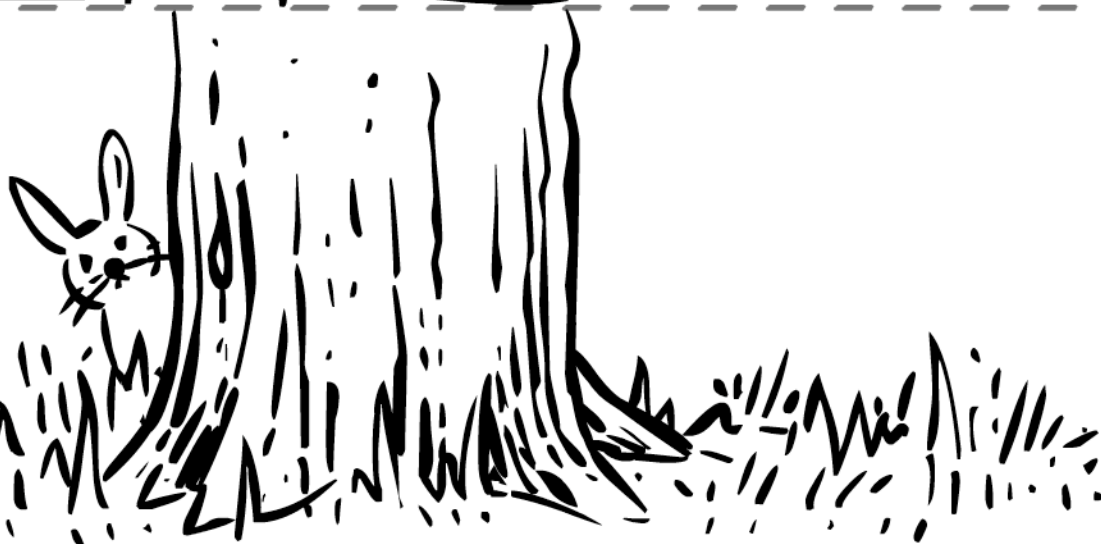

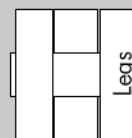

2. Turn the body section and glue it here, like this:

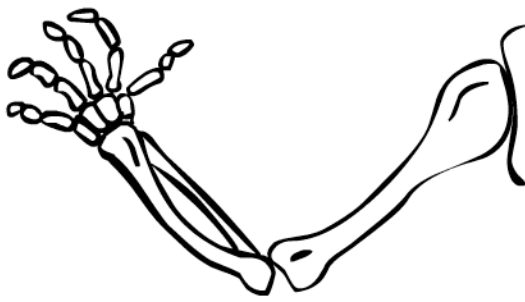

3. Glue the head on top of the body here, like this:

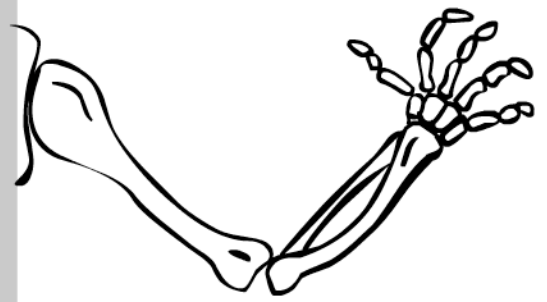

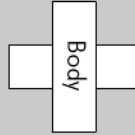

4. Glue the legs below the body here, like this:

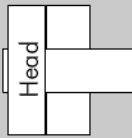

1. Cut on the dotted lines.

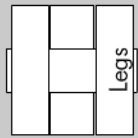

2. Turn the body section and glue it here, like this:

3. Glue the head on top of the body here, like this:

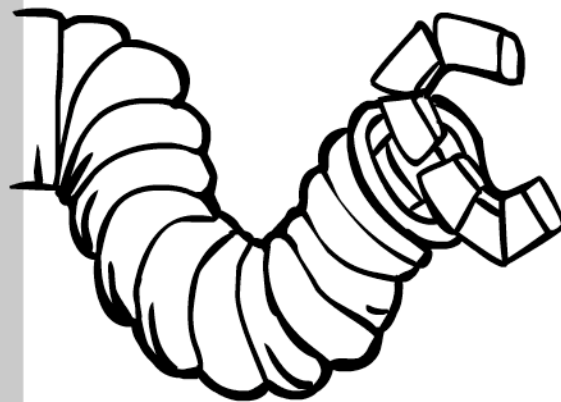

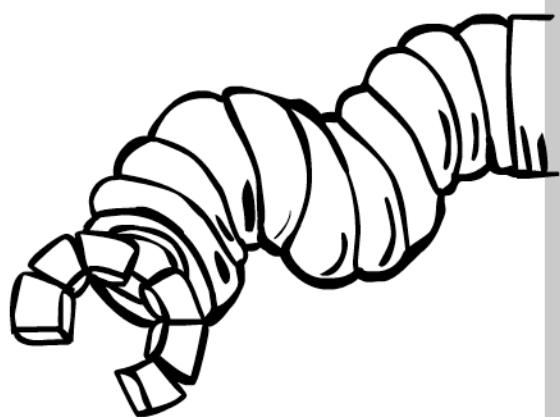

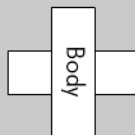

4. Glue the legs below the body here, like this:

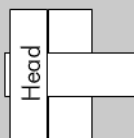

1. Cut on the dotted lines.

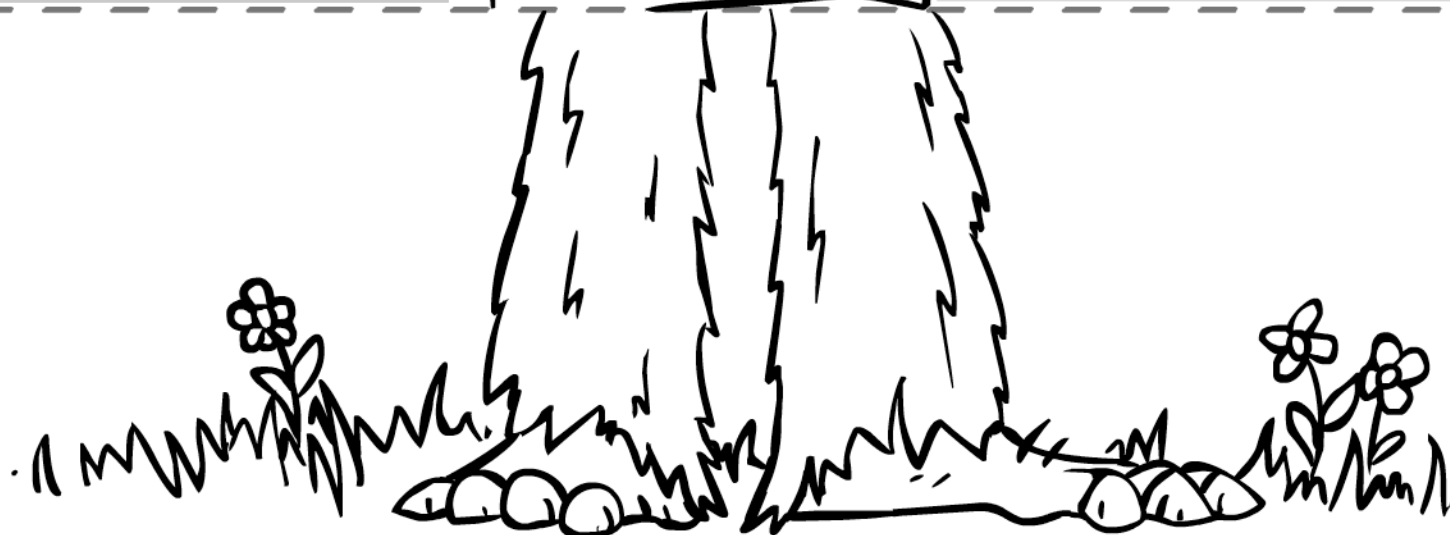

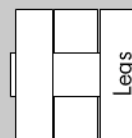

2. Turn the body section and glue it here, like this:

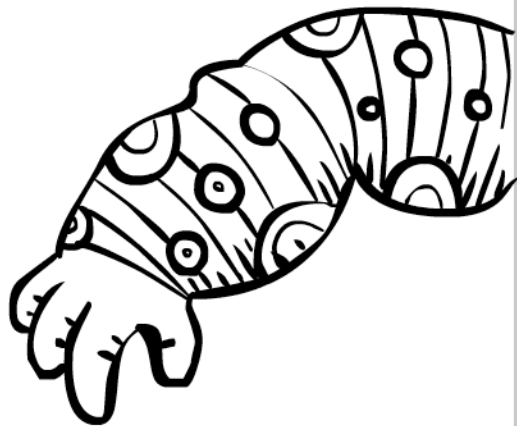

3. Glue the head on top of the body here, like this:

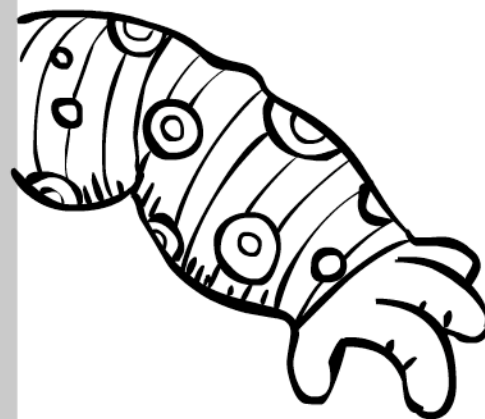

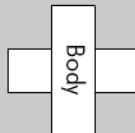

4. Glue the legs below the body here, like this:

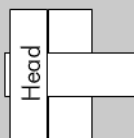

1. Cut on the dotted lines.

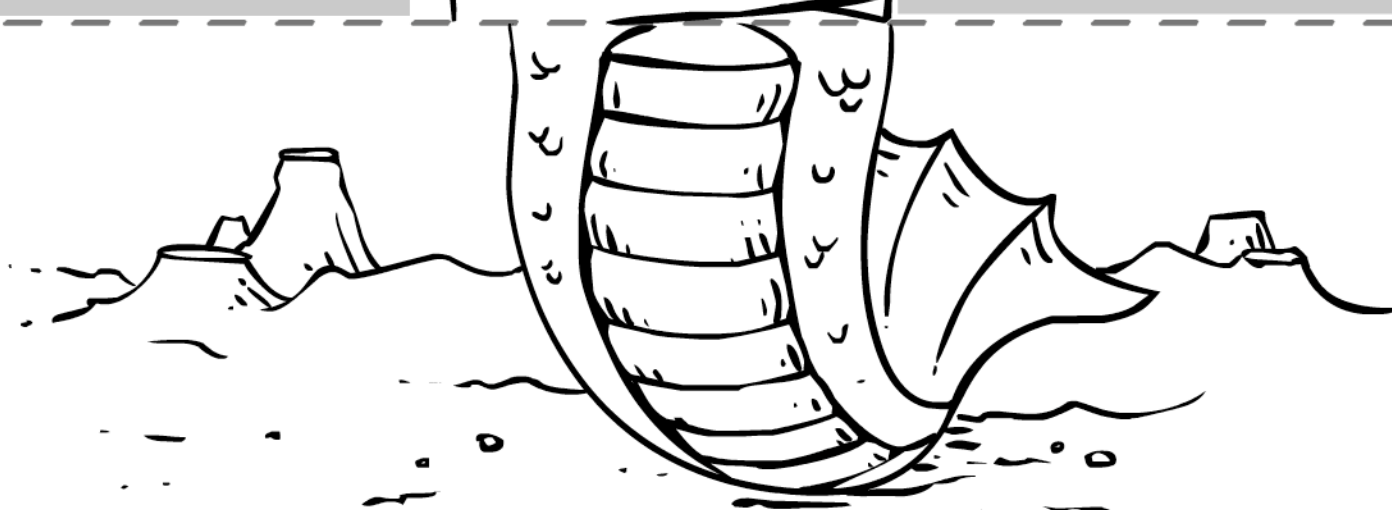

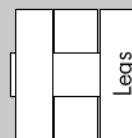

2. Turn the body section and glue it here, like this:

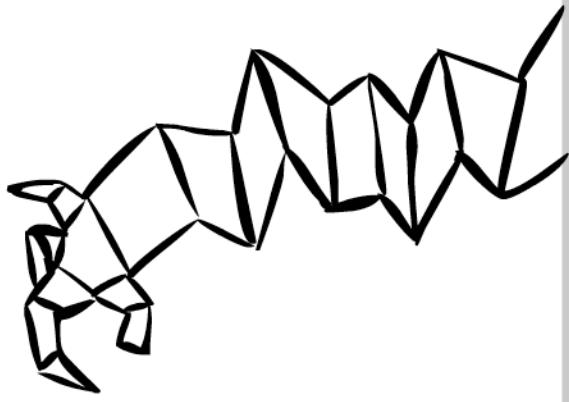

3. Glue the head on top of the body here, like this:

4. Glue the legs below the body here, like this:

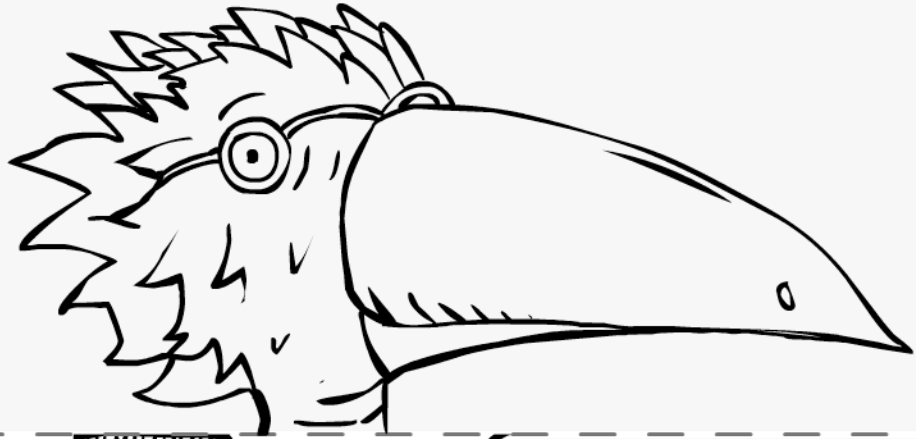

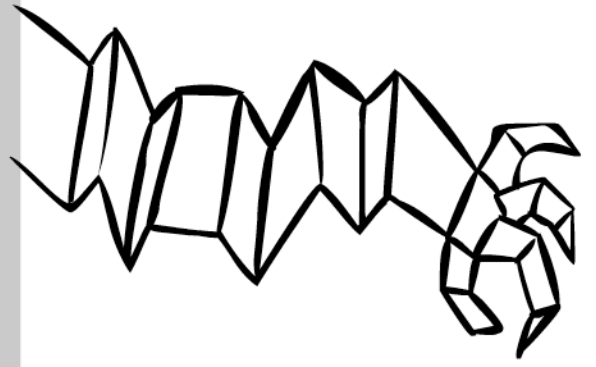

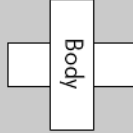

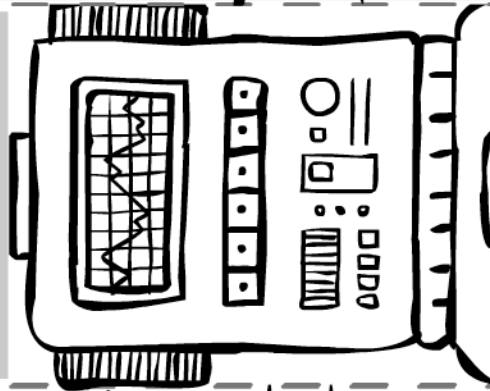

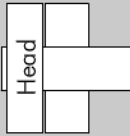

1. Cut on the dotted lines.

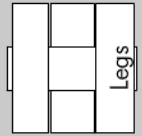

2. Turn the body section and glue it here, like this:

3. Glue the head on top of the body here, like this:

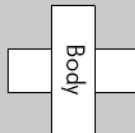

4. Glue the legs below the body here, like this:

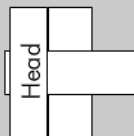

1. Cut on the dotted lines.

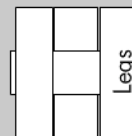

2. Turn the body section and glue it here, like this:

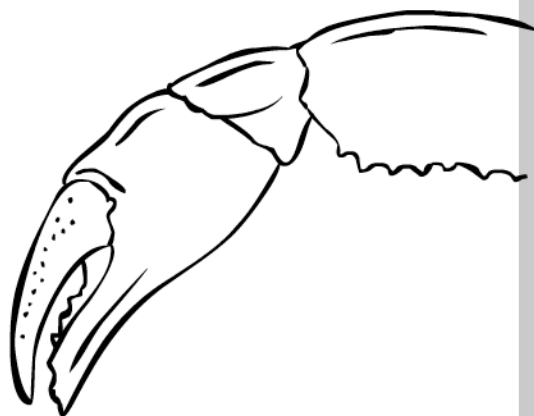

3. Glue the head on top of the body here, like this:

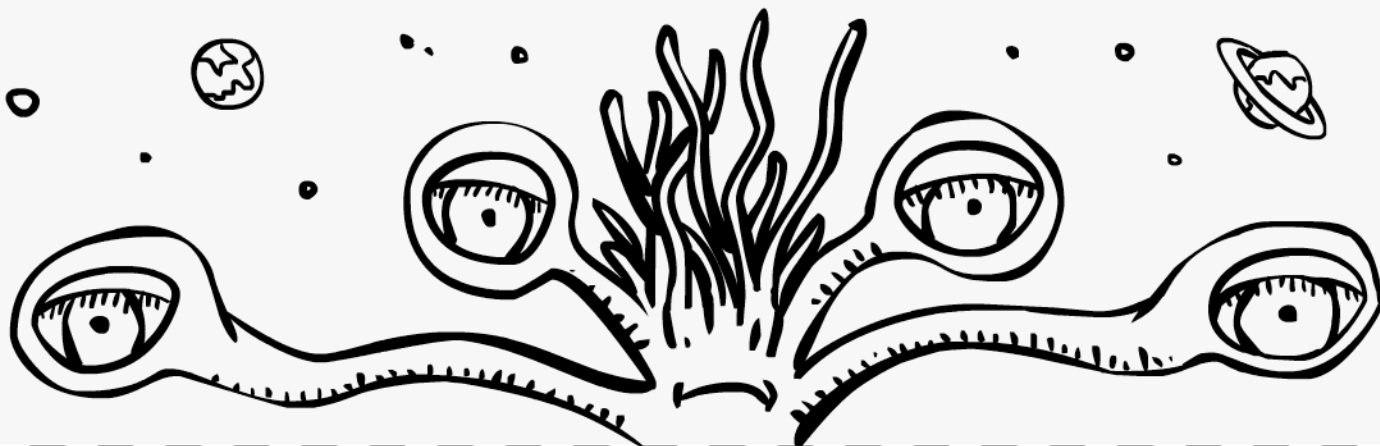

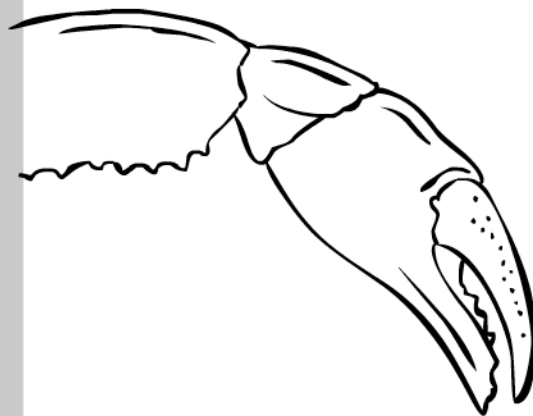

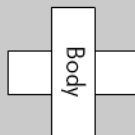

4. Glue the legs below the body here, like this:

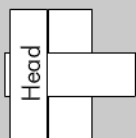

1. Cut on the dotted lines.

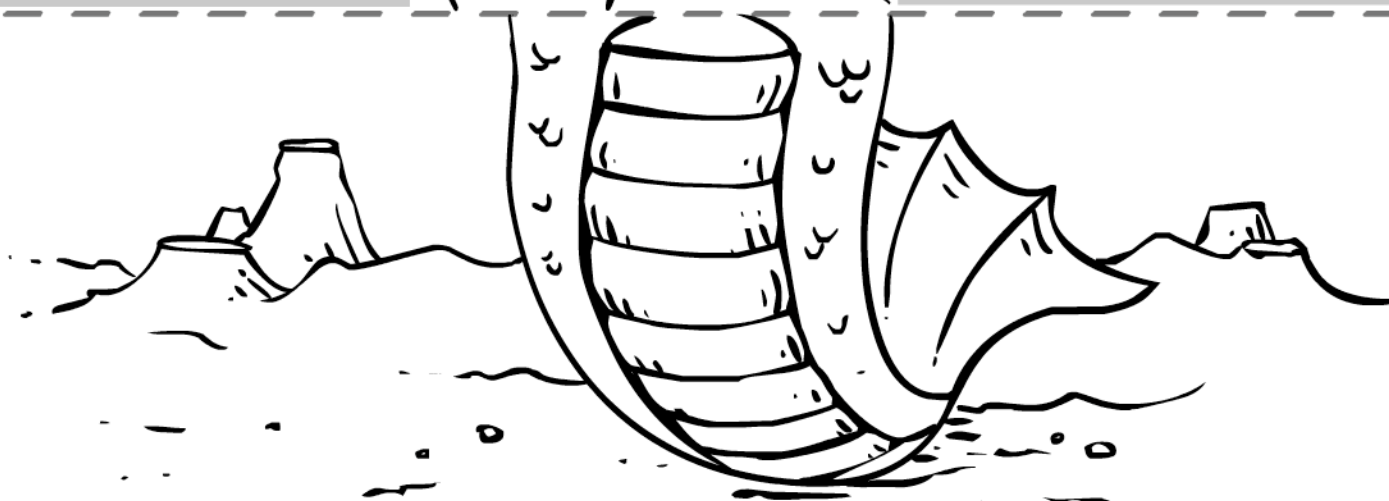

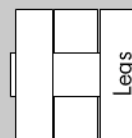

2. Turn the body section and glue it here, like this:

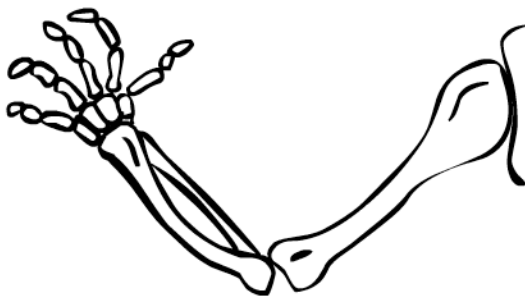

3. Glue the head on top of the body here, like this:

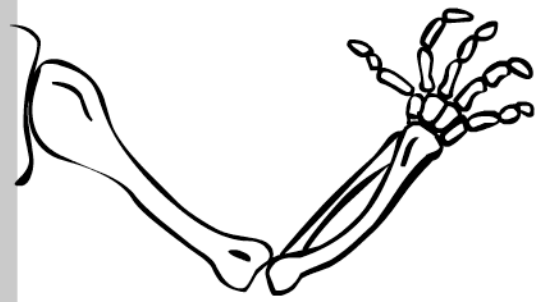

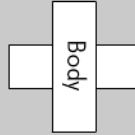

4. Glue the legs below the body here, like this:

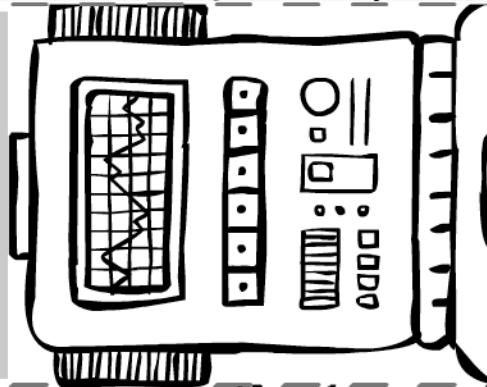

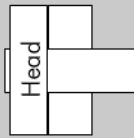

1. Cut on the dotted lines.

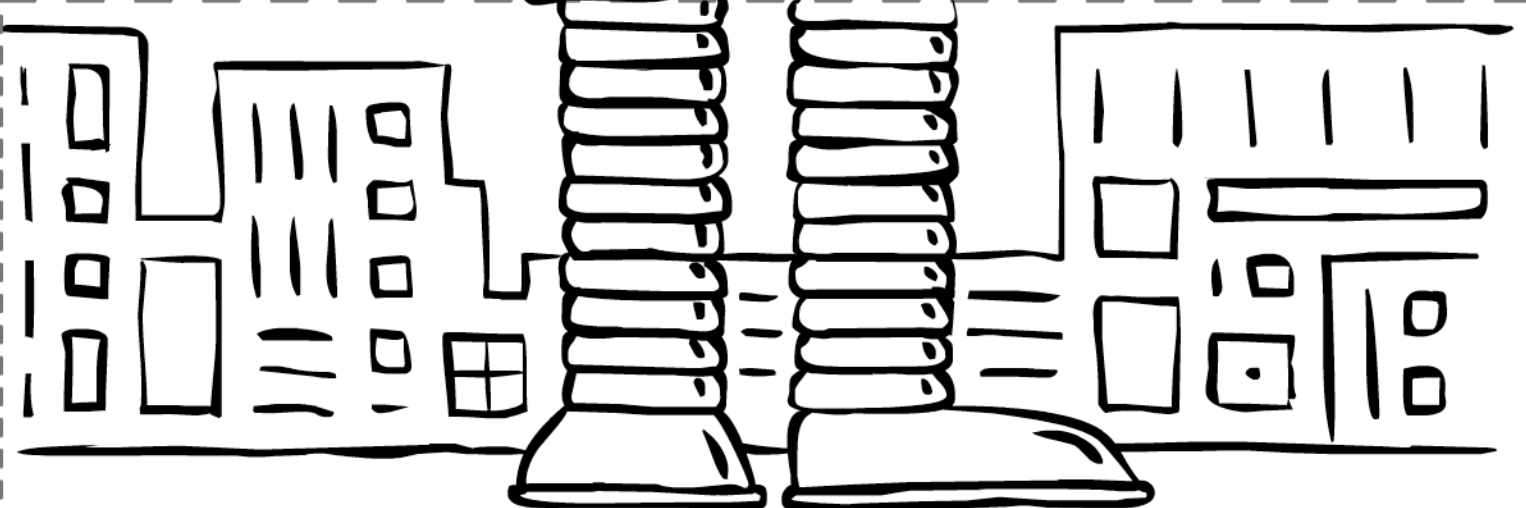

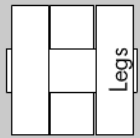

2. Turn the body section and glue it here, like this:

3. Glue the head on top of the body here, like this:

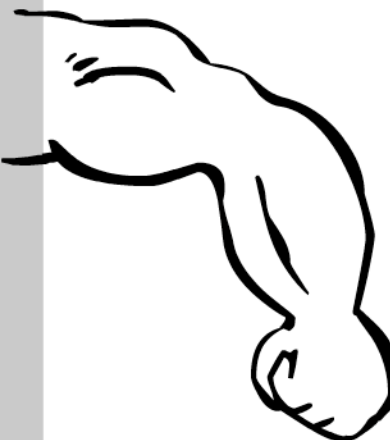

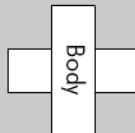

4. Glue the legs below the body here, like this:

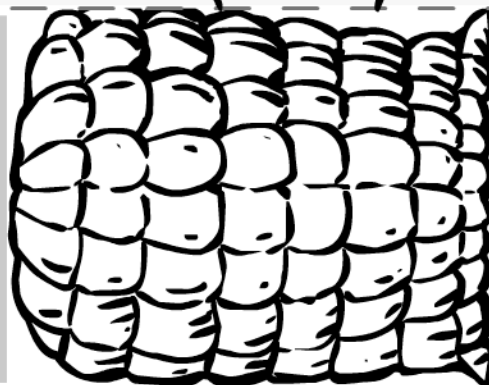

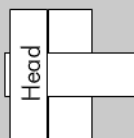

1. Cut on the dotted lines.

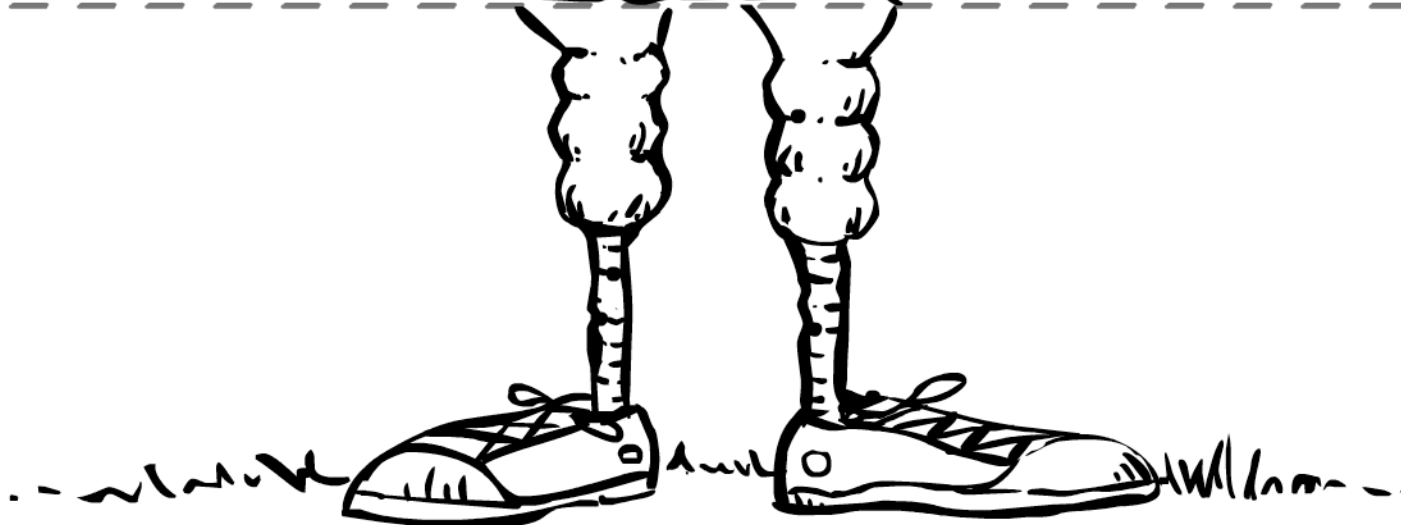

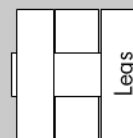

2. Turn the body section and glue it here, like this:

3. Glue the head on top of the body here, like this:

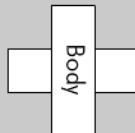

4. Glue the legs below the body here, like this:

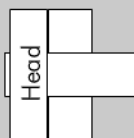

1. Cut on the dotted lines.

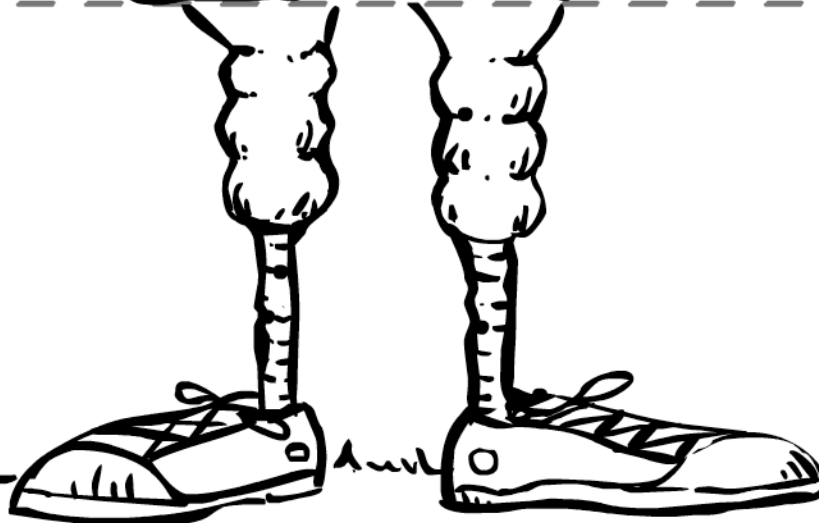

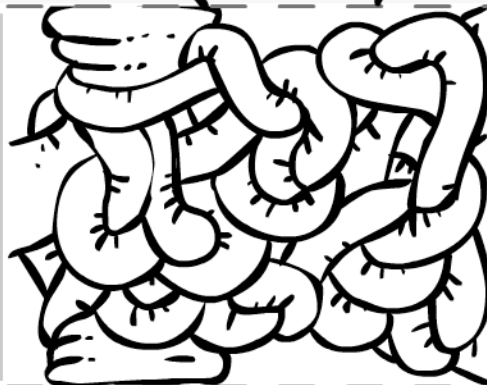

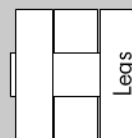

2. Turn the body section and glue it here, like this:

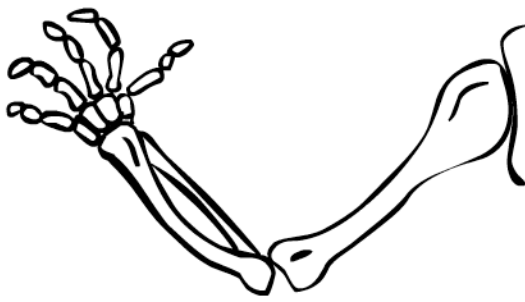

3. Glue the head on top of the body here, like this:

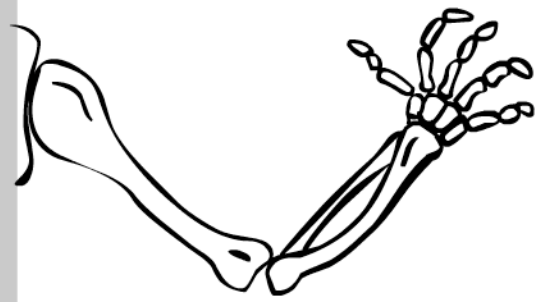

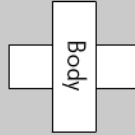

4. Glue the legs below the body here, like this:
